

COVID-19 Restaurant Employee Medical Relief Program and Additional Resources

To help our restaurant employees most impacted by the global COVID-19 pandemic, the Yum! Foundation has established the **Yum! Brands Foundation Global Employee Medical Relief Fund**, which will provide grants to all eligible restaurant employees of KFC, Pizza Hut, Taco Bell, The Habit Burger Grill, and our franchisees.

To be eligible for a one-time, \$1,000 grant, restaurant employees must meet **at least** one of the following criteria:

- Must have been positively diagnosed with COVID-19.
- Must be caring for someone at your primary residence who has been diagnosed with COVID-19.

To apply, [visit yum.com/give relief](https://yum.com/give-relief). Your application will be reviewed and your diagnosis and employment status verified. If you are awarded the grant, you'll be notified by email and payment will be coordinated via email, so be sure to enter a valid personal email address that you'll be able to check regularly.

All restaurant employees are eligible, so be sure to share with your team. You can refer to the [FAQ sheet](#) for additional information and [download the flyer](#) to post in your restaurant.

Additional Resources for Restaurant Employees

The KFC Foundation has put together a list of resources that may be helpful to restaurant employees during this time. Visit kfcfoundation.org/stability and share with anyone who could use some help with food, mental and emotional wellness, finances, and more.

Continue to take care of yourself and your family and know that we're here for you.
